## Student- Athlete Social Media Agreement

Social media be a useful tool to communicate with teammates, fans friends, coaches and more. Social media can also be dangerous if you are not careful. Every picture, link quote, tweet, status, or post that you or your friends post online is forever part of your digital footprint. You never know when that will come back to hurt or help your reputation during recruiting process, a new job, or other important areas of your life.

Recognizing the above, please initial:

\_\_\_\_ I take responsibility for my online profile, including my post and any photos, videos or to the recordings posted by other in which I appear.

\_\_\_\_ I will not degrade my opponents before, during, or after games.

\_\_\_\_ I will post positive thing about my teammates, coaches, opponents and officials.

\_\_\_\_ I will use social media to purposefully promote abilities, teams, community, and social values.

\_\_\_\_ I will consider "Is this the me I want you to see?"

\_\_\_\_ I will ignore any negative comments about me and will not retaliate.

\_\_\_\_ If I see a teammate post something potentially negative online, I will have a conversation with that teammate. If I don't feel comfortable doing so, I will talk to the team captain, or coach.

\_\_\_\_ I am aware that I represent my sport(s), school, team, family, and community at all times, and will do so in a positive manner.
