### FALL SEMESTER 2024: Week 9

**Week 8 Reflection:** Thank you for your responsiveness and quick rebound after the unexpected events of the week prior. Thank you for always putting safety first and being vigilant not just in response to situations but as an ongoing practice and part of what you do as a professional each and every day!

**Q1 Benchmark Testing Day & Senior Workshop: Wednesday is THE day!** Be sure to familiarize yourself with **Schedule #6** and plan accordingly. There are many moving parts on this day...please don't hesitate to reach out to **Mr. Townsend (9<sup>th</sup> - 11<sup>th</sup> grade)** or **Mrs. Peralta (12<sup>th</sup> grade)** if you have any questions. **Teachers: You should already have your WIN session set up in FlexiSCHED. Please do that ASAP if you haven't completed this task.** Everyone who is **proctoring** should have picked up their **testing packets** last week at PD. **If you have not yet picked up your packet—reach out to Mr. Townsend immediately!**

**Wednesday PD:** This week we will **NOT** be formally meeting in Room 226. Please use your professional discretion for that time. May I suggest you consider **Q1 grading needs, student tutoring, and/or committee time?**

**Grading Day:** Please watch for email communication from **Ms. Jewel McDermott** regarding **Quarter 1 grading information/directions.**

**Fall Break Goodies:** On Grading Day, please plan on dropping by the **Principal's Conference Room** any time **after 10am** to enjoy some **Fall Break Goodies** and listen/watch the re-launch of the **Golden Eagle March!**
