FALL SEMESTER 2024: Week 13

Reflection from Week 12: A HUGE THANK YOU to everyone that supported all the various activities and events last week! So many amazing opportunities were afforded to students and families—but only because we had so many staff members willing to provide their time, energy, and resources to make it happen! We are SO blessed to have such thoughtful and dedicated professionals both in and out of the classroom! I especially want to Thank Mrs. Peralta for her leadership not just this last week, but for the many weeks of planning and organization that led up to Homecoming Week!

Wednesday PD: We are excited to welcome Iris Berry, TUSD Wellness Coach, to our Wednesday PD to provide an overview of all the services, financial incentives, and challenges offered through the TUSD Wellness Department. There will be a Q&A opportunity, so please come with questions should you have them! We will also be learning from our AVID Team members regarding AVID Elective and sitewide implementation efforts. See you in Room 226 @ 2:30pm!
