DISCUSSION NOTES	Ms. Lundt – Bioscience adviser has a student going to nationals on June 16, 2026. She is requesting \$1500 to help the student go to nationals. All CTE organizations have regional and state competitions, but students who qualify for nationals are not receiving money from the district to participate. This trip for two people will cost \$5,000. Can Site Council support the hotel for the student only. Case motions to approve \$1500 of undesignated tax credits to hotel stay for BioScience HOSA student. Peterson calls for vote. Motion passes with all votes in favor.
